REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Clio Elementary Middle School is under construction. Our school is taking progressive measures to afford each student the opportunity to succeed. We, as a school, are excited about being identified as a school of improvement, making AYP, and having received a TAP Value-added score of five.

Our teachers adhere to the Teacher Advancement Program (TAP) rubrics as they implement researched-based strategies for instructions. The South Carolina Standards, Curriculum Alignment Documents (CADS), Anderson 5 Curriculum, Super Seven, Fantastic Five, Daily Oral Language, and Imagine It! Curriculum guide the implementation of best practices for classroom instructions.

Accelerated Reader and Math, and Compass Learning Odyssey are academic initiatives that provide more literacy support to strengthen our students in our reading across the curriculum endeavors. In addition, our TAP cluster focuses were reading comprehension and problem-solving strategies which enhanced the classroom instructions for student growth. The establishment of the CAVs Read Café provides an incentive for students to read and requires an Accelerated Reader's average of 85% or better. Likewise, a mobile computer lab is utilized to strengthen literacy, as well. Moreover, Measures of Academic Progress (MAP) scores were analyzed to monitor student academic progress and to provide validity to the specified differentiation in student instructions. In addition, our efforts were supported with the AHA! Ruby Payne training. Instructions were closely monitored with district's 10 day assessments, the school-wide Reinforcement & Remediation (R&R) Day, and Dr. Larry Bell's twelve powerful words. We had pull out remediation class for grades 1-3 with a focus on Reading comprehension. The curriculum facilitator held data meetings every Tuesday, and we began targeting our Safe Harbor children.

The disaggregation of PACT and benchmark data provides a basis to monitor and adjust instructions to target the school's and students' areas of deficiency. With the identification of the areas of malady, focused intervention sessions were established for the targeted sixth-grade students. Conducted by the TAP master teachers, the intervention sessions offered more individualized sessions that afforded the targeted students additional assistance to propel them to or beyond the next academic level.

Reflecting the Home School and Community correlate, the school is supported by a cadre of business and community partners: Clio Police Department, Herald Office Systems, Mohawk Industry, Pacific MDF, Baldor Industry, Carolina Cleaners, Pepsi Cola, Carl's Food Center and Piggly Wiggly. Many area churches were collaborative school partners through the Adopt-A-Class Program which is designed for churches to advocate and speak on behalf of the children and supported the school's curriculum program. Eleven area churches served fervently to meet various grade level needs: Pre-K—New St., Mathew—Kindergarten, New Emmanuel Baptist—First, Emmanuel Baptist Church—Second, Ebenezer Baptist Church—Third, Reedy Branch Baptist Church and Pee Dee Baptist Church—Fourth, St. Michael Hope Ministries—Fifth, Trinity United Methodist—Sixth, Asbury United Methodist—Seventh, Mt. Tabor Missionary Baptist; and Eighth—Sandy Grove Baptist Church. Church members served as mentors, trip chaperones, test monitors, and provided test incentives and school supplies.

Aligned with Section 1118 of Title I, our on-going goal is to increase parental involvement and family literacy services. Throughout the academic year the parent involvement
